

# Clinical Conference Policy

## **Clinical Conference Policy**

All students must return to campus twice during the Clinical Phase for learning activities and assessments. The Clinical Team provides students with the Clinical Conference schedule a minimum of four (4) weeks prior to the Clinical Conference. Students completing their block six (6) and twelve (12) SCPEs within 300 miles of the campus are allowed one half day for travel. Students completing their Block six (6) and twelve (12) SCPEs more than 300 miles from campus are allowed one day for travel if flying and two days for travel if driving.
