Grading SYSTEM

Assessment/Course Grades: Letter grades for each assessment and course correspond with the following numeric ranges:

- A = 90-100%
- B = 80-89%
- C = 70-79%
- F = < 70%

Assessment grades are computed and recorded to the nearest thousandth (0.001). Course grades are rounded up if the first number after the decimal is greater than or equal to 5 (e.g., a course grade of 79.500% is rounded up to 80% (B) and a course grade of 79.499% is not). Some assessments may be computed and recorded as pass ("P")/fail ("F"). This is noted in each course syllabus.
